Mark Levin's LIBERTY & TYRANNY Hits 1,000,000 Copies in Print

New York, NY (April 28, 2009) – Louise Burke, Threshold Editions' Executive Vice President and Publisher, announced today that after eighteen printings, Mark Levin's clarion call to conservative America, **LIBERTY & TYRANNY: A Conservative Manifesto**, has now reached 1,000,000 copies in print. Published on March 24th, 2009, **LIBERTY & TYRANNY** debuted at #1 on the *New York Times* bestseller list in its first week on sale, and has remained in that position for four consecutive weeks.

"Mark Levin's message has obviously struck a chord beyond his substantial fan base," said Louise Burke. "He is now reaching an even wider audience of citizens across the political spectrum."

Just as Barry Goldwater's *Conscience of a Conservative* articulated conservative principles in the 1960s, **LIBERTY AND TYRANNY** is the modern conservative movement's roadmap back to its principled roots, and an action plan for returning conservatives to elective office in the years to come. As provocative, well-reasoned, robust, and informed as his on-air commentary, Levin's narrative will galvanize readers to begin a new era in conservative thinking and action.

Mark R. Levin is a nationally syndicated talk-radio host and president of Landmark Legal Foundation. His previous books, *MEN IN BLACK: How the Supreme Court Is Destroying America* and *RESCUING SPRITE: A Dog Lover's Story of Joy and Anguish*, both reached #3 on the *New York Times* bestseller list. He has worked as an attorney in the private sector and as a top adviser and administrator to several members of President Reagan's cabinet. He holds a B.A. from Temple University and a J.D. from Temple University School of Law.
